

BISHOP HENDRICKEN HIGH SCHOOL ARTS ACADEMY

The Arts Academy at Bishop Hendricken is an honors program offered IN ADDITION TO THE ARTS SEMESTER ELECTIVES. It meets during a specialized period (7:45-8:25am) at the start of each day. In the place of a traditional homeroom, students are joined together in specific arts concentrations. Each Arts concentration sets forth specific creative and artistic experiences for the students. Students in all concentrations develop an ongoing portfolio of materials and experiences that showcase their personal achievements, individual growth, and artistic development. This portfolio is especially useful in helping a student stand out when applying to colleges and seeking scholarships. Musicians will find the Academy especially rewarding because all our school bands (Concert and Jazz Band) take place within this program. Upon completion of the Academy, students receive a graduation certificate. Each program has a limit to its enrollment size. Interested students should apply early. Bishop Hendricken High School provides this Academy Program to make it significantly more attainable for students to stay active in the Arts without compromising other academic course experiences offered during the day.

THE SENIOR AND JUNIOR JAZZ BANDS WILL MEET 3 DAYS A WEEK FROM 2:30-3:15 pm.

Please read the Arts Academy brochure to learn more about this program.
